About This Game

In Boxing School you become a boxing manager in the 80s. You'll hire the boxers, teach them to fight and climb the ranks.

Choose your teachings and training.

Your boxers have unique fighting styles and skills. Do you want to teach non-stop swarmer aggression or a slower boxer style with more punching power? Or maybe you just want your boxer to be able to counter-attack and prey on opponent's mistakes. Choose between a variety of fighting styles and skills.

Pick the right fighters.

Scouting the world for hidden gems is all the more satisfying when you find a potential new champion that hits like a truck and wish to become the future of boxing.

Choose tactics and strategy.

Manage your fighters between rounds to gain the edge on your rivals in the ring. Do you want your boxer to go for early KO and risk to run out of gas or play it more safe and wait for the right moment to strike when the opponent is tired.

Key Features:

- Hire boxers and manage their career from beginner to star.
- Discover 4 different classes with unique fighting styles and skills.
- Customize your boxers outfit, nickname and branding.

Graphics are a bit basic and the game has a real 8 bit feel. Beyond that it is actually quite fun. You get to build up your fighters as you work them up the ranks and make more money as you go. Just started playing so I haven't seen everything yet. Even without help it is simple enough to figure out.

Value for price paid 20/20

Graphics/Sound 5/20

Fun level 15/20

Learning curve 15/20

Replayability 15/20

Total 70/100

. Look, I wish I could recommend this game but I can't. It has a lot of potential but it's unfinished, if the developers add new mechanics or more to the story then yeah it would be worth it. But in the state that it is in now, it just ain't worth it.. the developers stopped updating the game. avoid avoid avoid.
